

McKeen bio

William McKeen is the author of *Outlaw Journalist*, *Highway 61*, *Rock and Roll is Here to Stay* and several other books about American music and popular culture. He is professor and chairman of the University of Florida Department of Journalism and was a newspaper reporter and magazine editor before beginning his teaching career. His next book is a collection of stories about childhood in Florida. He is a father of seven and lives with his wife Nicole, a magazine editor, on a small horse farm near Wacahoota, Florida.
